**PORTFOLIO WEBSITE:** <https://sreylxn.github.io/Sreylin.github.io/>

## EDUCATION

- 1 Data Analytics Certification | Google | In progress
- 2 Computer Science | University of Kent | Graduated July 2025
- 3 Graphic Design | South Essex College | Completed 2022

## EXPERIENCE & ACHIEVEMENTS

Group Project award | University of Kent | 2025

Part of four-member team that won an award for our final-year project, competing against undergraduate and postgraduate groups. I led project manager, UX/web designer, and concept development, focusing on creating a student tailored website.

Cloud Tech Consulting Day Experience | Capacitas | 2025

Invited to Capacitas' London office after winning a group innovation award. Spent the day learning about their work in cloud and shadowing different teams.

Charity Volunteering | Warnborough Foundations | 2025

Experimented with WordPress to explore web design and content structure, with light guidance from a mentor.

IN Security Scholarship | Black Hat Europe | 2023

Awarded a scholarship to attend Black Hat Europe. Networking and gained insights from real-time briefings about the latest Cyber Security updates and attacks.

Vice President and Ambassador work | Cyber Security Society | 2023-2024

Led CyberWoman in fostering diversity and inclusion within the Cyber Security community, team collaboration with leaders and members.

Graphic Design | Freelance | 2016 –2021

Experience in various Adobe design programs and User interface designs such as Figma & Adobe XD.

Tech Skills: Foundational knowledge and skills in Java, HTML, CSS, SQL, Javascript, Python.

## EXTRACURRICULAR/HOBBIES

UI/UX Designing | Tennis Society | Music & Composition (Piano/Guitar) | Graphic Designing | Video Editing | Illustrations
